**Proġetti tal-Kunsill.** Matul l-aħħar sena l-Kunsill kien impenjat b'diversi proġetti kapitali. Fosthom il-kisi ta' Triq Wied il-Għasri u twessiegħ u kisi ta' Triq il-Ġonna. Dawn jinsabu lesti. Dawn ix-xogħlijiet ġew parzjalment finanzjati b'fondi tal-Unjoni Ewropea.

Bħalissa għaddej ix-xogħol fuq kisi ta' Triq San Pupalju, Triq id-Dehra, Trejġet Dun Ġuzepp Cassar, Triq it-Tamar u parti minn Triq il-Fanal. Dawn qed jiġu ffinanzjati b'fondi mill-Ministeru għal Għawdex.

Il-Kunsill ħa ħsieb ukoll tar-restawr tan-niċċa tal-Annunzjata f'Wesgħa Dun Ġuzepp Buttigieg. Dan il-proġett ġie parzjalment ifffinanzjat mill-Eko Għawdex.

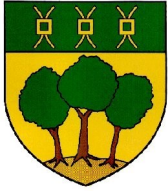

Il-Kunsill qed ikabbar il-librerija peress li din saret żgħira għall-ammont ta' kotba li hemm f'din il-librerija.

**Council Projects.** During the past year the council has been busy with various capital projects. Amongst these projects are the resurfacing of Wied il-Ghasri Road and the widening and resurfacing of Garden Street. These works have been completed and were partially funded by EU funds.

At present resurfacing works are taking place at St. Pupalju Street, Dehra Street, Dun Guzepp Cassar Street, Date Street and part of Lighthouse Street. These works are being funded by the Ministry for Gozo.

The council restored the niche of the Annunciation of the Blessed Virgin located at Dun Guzepp Buttigieg Square. This project was partially funded through Eco Gozo.

The Council is enlarging it's library, since this has become small for the amount of books that the Ghasri Library has.
