PERIOD CONTRACT FOR PATCHING WORKS
IN ROADS IN THE RABAT AREA

TENDER REFERENCE: RLC/T/0153/2015

A - GENERAL

The closing date of the tender was the 21st of August, 2015.

The only submission received was by Mr. John Fenech o.b.o. Elle's Urban Services Limited.

A proof of purchase together with a tender guarantee of €456.87 was submitted. Tender submission included also proof of purchase of tender document.

Contractor also submitted insurance schedule, a covering letter outlining previous experience during the last 19 years with various local councils, the list of machinery & vehicles (including some photos), a method statement for execution of works and a list of employees with employed with the company.

Instruction to Tenderers, Clause 13, specifically requests the bidders to outline the services to be performed by the tenderer with his own resources and if not, a list of names of any sub-contractors to be engaged on the contract. No reference was made by the bidder regarding sub-contracting, hence it is being assumed that the Bidder has the capacity to execute the works without sub-contracting to third parties.

B – CONTRACTOR’S EXPERIENCE

The undersigned has no working experience with the bidder.

C – BILL OF QUANTITIES

The contractor submitted all the rates as specified in the Bill of Quantities. The rates submitted compare fairly to current market prices.

The tender outlines the standards and manuals to which the works carried out must comply, and also works method for patching works using cold asphalt. With the submission of the tender, the contractor is agreeing to observe these standards/methods/procedures during the course of the works.
